(As first verse)

All these words are useless  
when i look into your eyes  
it s the simple truth of perfect,  
little secret.

You re the only thing I m sure of  
and it makes it all so hard  
all that other things are  
broken out of focus.

I love you my own way  
I love you better  
I love you inside all this  
I love you forever

In the blinding darkness  
of the night it seems simple  
all i know is that  
I love you here right now.

It s not as if i wanted  
to fall so hard for you,  
or even understand  
these woken feelings.

I love you my own way  
I love you better  
I love you inside all this  
I love you forever (x2)
