Snow Patrol

INTRO:

Am/G/Am/G

          Am          F          G  
I ll sing it one last time for you  
          Am          F          G  
Then we really have to go  
          Am          F          G  
You ve been the only thing that s right  
          Am          G  
In all i ve done.

          Am          F          G  
And I can barely look at you  
          Am          F          G  
But every single time I do  
          Am          F          G  
I know we ll make it anywhere  
          Am          G  
Away from here

CHORUS:

C  
Light up, Light up  
          G  
As if you have a choice  
          Am  
Even if you cannot hear my voice  
          F  
I ll be right beside you dear  
  
C  
Louder, louder  
          G  
And we ll run for our lives  
          Am  
I can hardly speak I understand  
          F  
Why you can t raise your voice to say

Am/G/Am/G

Am          F          G

To think I might not see those eyes

**Am F G**

It makes it so hard not to cry

**Am F G**

And as we say our long goodbyes

**Am G**

I nearly do.

CHORUS:

**C**

Light up, light up

**G**

As if you have a choice

**Am**

Even if you cannot hear my voice

**F**

I ll be right beside you dear

**C**

Have heart my dear

**G**

We re bound to be afraid

**Am**

Even if it s just for a few days

**F**

Making up for all this mess.

CHORUS:

**C**

Light up, Light up

**G**

As if you have a choice

**Am**

Even if you cannot hear my voice

**F**

I ll be right beside you dear
