

**Set The Fire To The Third Bar**  
**Snow Patrol**

**Bm**  
I find the map and draw a straight line  
Over rivers, farms, and state lines  
The distance from me to where you'd be  
It's only finger-lengths that I see

I touch the place  
where I'd find your face  
My fingers in creases  
of distant dark places

**Bm**  
I hang my coat up in the first bar  
There is no peace that I've felt so far  
The laughter penetrates my silence  
As drunken men find flaws in science

Their words mostly noises  
Ghosts with just voices  
Your words in my memory  
Are like music to me

**Bm** **D**  
I m miles from where you are,  
**A** **G**  
I lay down on the cold ground  
**Bm** **D**  
I pray that something picks me up  
**A** **Cadd9**  
And sets me down in your warm arms

**Bm**  
**A** **G** **Bm**  
After I have travelled so far  
**A** **G** **Bm**  
We d set the fire to the third bar  
**A** **G** **Bm**  
We d share each other like an island  
**A** **G** **Bm**  
Until exhausted, close our eyelids

**A G Bm**  
And dreaming pink wildfire  
**A G Bm**  
The last place we left off  
**A G Bm**  
Your soft skin is weeping  
**A G Bm**  
A joy you can t keep it

**Bm** **D**  
I m miles from where you are,  
**A** **G**  
I lay down on the cold ground  
**Bm** **D**  
And I pray that something picks me up  
**A** **Cadd9**  
and sets me down in your warm arms
