And when the worrying starts to hurt		
<b>Am</b>		

and the world feels like graves of dirt

you can imagine this place, yeah, our secret space at will

The rest is more of the same, so of you go! Go play this song! xD

And you ll feel dizzy, light, and free  
And falling gently on the cushion  
You can come and sing to me

[Chorus]

**A**

**Em**

And when the worrying starts to hurt

**Am**

and the world feels like graves of dirt

**Em**

Just close your eyes until

**Am**

**Em**

**E**

you can imagine this place, yeah, our secret space at will

(Shut your eyes [x4])

Shut your eyes and sing to me (Shut your eyes and sing to me) [x4]
