I broke into your house last night,			
D	C	Am	G
And left a note at your bedside,

I m far too shy to speak to you at school,			
D	C	Am	G
You leave me numb and i m not sure why,			

Bridge

D	C	Am	G
I find it easier to sit and stare,			
D	C	Am	G
Than push my limbs out towards you out there,			
D	C	Am	G
My heart is bursting in your perfect eyes,			
D	C	Am	G
As blue as oceans and as pure as skies,			

F	G	D
I struggle for the words and then give up,		
F	G	D
My heads up with the birds on the t-hut,		
F	G	D
A little piece of mind that i know better,		
F	G	D
Than the plain disgrace of all my letters,
