

**C**                    **Am**                    **C**                    **Am**  
When I get home for Christmas  
**C**                    **Am**                    **C**                    **Am**  
I ll do anything you want  
**C**                                    **Am**                    **C**                    **Am**  
I ll wear your clothes like you asked me  
**C**                    **Am**                    **C**                    **Am**  
Dressed up like a christmas tree

(Pre-chorus 1) (no lyrics)

**E F**

(Verse 2)

We can spend the day together  
First time in a long long while  
You can wrap me up in tinsel  
Make as much noise as you like

(Pre-chorus 2)

**E**                                    **F**  
When I said that I loved her instead

(Chorus)

**G**                    **F**                    **C**  
It s funny how you misunderstand  
**G**                    **F**                    **C**  
I only want to hold her hand  
**G**                    **F**                    **C**  
You re so far from me all year long  
**G**                    **F**                    **C** (start of intro again)  
That I can t see to right my, right my wrong

(Intro again)

(Verse 3)

When we get home for Christmas  
Pleats on our knees on the floor  
Open presents between kisses  
Your eyes burn stronger than the fire

(Pre-chorus 2)

(Chorus)

(Repeat intro, fade out, whatever)
