Wow  
Snow Patrol

**G#m A E**  
Don t be scared of anything at all  
**G#m A E**  
Everything we have is all we need  
**G#m A E**  
All the spotlights streaming into angry skies  
**G#m A E**  
Means there s no one watching as we leave

**C#m**  
Say the first thing that  
**Dsus2 E**  
Comes into your mind when you see me  
**C#m Dsus2**  
If it looks like it works and it feels like it works  
**E**  
Then it works  
**C#m**  
With the sun on your face  
**Dsus2 E**  
All these worries will soon disappear

Just follow me now

**G#m A E**  
I find careful patterns in the snow  
**G#m A E**  
It seems you did come round but changed your mind  
**G#m A E**  
If you d just take ten more steps to me  
**G#m A E**  
I won t ever ask you again

**C#m Dsus2 E**  
Just because I couldn t say doesn t make me a liar  
**C#m Dsus2**  
I noticed a change in the tone of your voice  
**E**  
It s so clear  
**C#m**  
My role in this mess

**Dsus2 E**

Is not something that I can be proud of

But it s all going to change
