

**You Could Be Happy**  
**Snow Patrol**

Capo on the 1st fret.

**E B6 Asus2**  
You could be happy and I won't know

**E B6 Asus2**  
But you weren't happy the day I watched you go

**E B6 Asus2**  
And all the things that I wish I had not said

**E B6 Asus2**  
Are played on lips 'til it's madness in my head

**F#minor E Asus2**  
Is it too late to remind you how we were?

**F#minor E Asus2**  
But not our last days of silent, screaming blur

**F#minor E Asus2**  
Most of what I remember makes me sure

**E B6 Asus2**  
I should have stopped you from walking out the door

**E B6 Asus2**  
You could be happy, I hope you are

**E B6 Asus2**  
You made me happier than I'd been by far

**E B6 Asus2**  
Somehow everything I own smells of you

**E B6 Asus2**  
And for the tiniest moment it's all not true

**F#minor E Asus2**  
Do the things that you always wanted to

**F#minor E Asus2**  
Without me there to hold you back, don't think, just do

**F#minor E Asus2**  
More than anything I want to see you go

**E B6 Asus2**  
Take a glorious bite out of the whole world
