

Youre All I Have  
Snow Patrol

Snow Patrol - You re All I Have  
Chords - By Tom Annis  
Tuning - Standard

<b>E</b>	<b>A7</b>	<b>E</b>	<b>A7</b>
Strain this chaos, turn it into light			

E A7 E A7  
I ve got to see you one last night

**E**                      **A7**                      **E**                      **A7**  
Before the lions take their share

E                    A7                    E                    A7

Leave us in pieces, scattered everywhere

**B**  
Just give me a chance to hold on

**A7**  
Give me a chance to hold on

**B**  
Give me a chance to hold on

**A7**  
Just give me something to hold onto

**E** **A**  
It s so clear now that you are all that I have

<b>E</b>	<b>A</b>
I have no fear	cause you are all that I have

**E** **A**  
It s so clear now that you are all that I have

<b>E</b>	<b>A</b>
I have no fear cos you are all that I have	

**E                      A7                      E                      A7**

You re cinematic, razor sharp

**E** **A7** **E** **A7**

A welcome arrow through the heart

**E** **A7** **E** **A7**

Under your skin feels like home

**E** **A7** **E** **A7**

Electric shocks on aching bones

**B**

Give me a chance to hold on

**A7**

Give me a chance to hold on

**B**

Give me a chance to hold on

**A7**

Just give me something to hold onto

**E**

**A**

It s so clear now that you are all that I have

**E**

**A**

I have no fear cause you are all that I have

**E**

**A**

It s so clear now that you are all that I have

**E**

**A**

I have no fear cos you are all that I have

**E** **A7** **E** **A7**

There is a darkness deep in you

**E** **A7** **E** **A7**

A frightening magic I cling to

**B**

Give me a chance to hold on

**A7**

Give me a chance to hold on

**B**

Give me a chance to hold on

**A7**

Just give me something to hold onto

**E**

**A**

It s so clear now that you are all that I have

**E**

**A**

I have no fear cause you are all that I have

**E**

**A**

It s so clear now that you are all that I have

**E**

**A**

I have no fear cos you are all that I have
