

**Let Me In
Snowmine**

Let me in - Snowmine.

[Intro]

D#m C# B x2

[Verse 1]

D#m

Just to want it,

C#

And not to need it,

B

Makes me let it go.

D#m

But then you let me in,

C#

And I don't want it.

B

But you made me believe it.

So do I really? Do I really?

[Chorus]

F#

If you could you keep it together

C#

For a moment in time?

B

F#

Then you'd see that I can't be,

Your excuse for a lover.

C#

You are mountain to climb.

B

C#

You would see.

[Verse 2]

D#m

I left my shoes under your bed

C#

but I left my body outside.

B

How could I get back into this mess?

C#

B

I kept telling myself the temptations would do me in.

[Chorus]

F#

If you could you keep it together

C#

For a moment in time?

B

Then you d see that I can t be,

F#

Your excuse for a lover.

C#

You are mountain to climb.

B **C#**

You would see.

[D#m C# B](x2)

[Chorus]

F#

If you could you keep it together

C#

For a moment in time?

B

Then you d see that I can t be,

F#

Your excuse for a lover.

C#

You are mountain to climb.

B **C#** **B**

You would see.

[Verse 3]

D#m

B

And I think I see this happening again

From my lonely point of view

See every time that I m with you

I think this will happen again.

[Chorus]

F#

If you could you keep it together

C#

For a moment in time?

B

F#

Then you d see that I can t be,
