**D** - xx0232  
**Em** - 022000  
**F#m** - 244222  
**G** - 320033

Intro: **D Em G** x2

Verse 1:

**D** **Em**  
Kissed you in the  
**G** **D**  
park We ll meet up  
**Em** **G**  
after dark In your  
**D** **Em**  
car with the backseat  
**G** **D**  
southern summer Ignored  
**Em**  
all the missed calls  
**G**  
from your mother

Verse 2:

**D** **Em** **G**  
And kiss me in the park  
**D** **Em**  
We ll meet up after  
**G** **D**  
dark And we ll talk  
**Em** **G**  
until morning hits  
the windshield And

**D** **Em**  
paints yellow lines  
**G**  
on the field

Interlude: **D Em G** x2

Verse 3:

**D** **Em** **G**  
Now you want to start  
**D** **Em**  
With someone not so  
**G** **D**  
far Oh she s bubbly  
**Em**  
and sweet like a  
**G** **D**  
Coca Cola I watch from  
**Em**  
my drink as you  
**G**  
look her over

Verse 4:

**D** **Em**  
The tab don t pop  
**G**  
too hard You re  
**D** **Em** **G**  
sick of playing cards  
**D**  
With your love you want  
**Em** **G**  
warmth and I m something  
**D**  
colder I m putting your  
**Em** **G**  
hands to her heart

Chorus:

**Bm**  
I don t think of  
**F#m** **G**  
my life Anywhere  
but in your arms  
**Bm**  
tonight Won t say  
**F#m**  
it this time

**G**

Can't even look  
back in your eyes

Post Chorus: D Em G x2

Verse 5:

**D**                **Em**        **G**  
Kissed you in the park  
         **D**                **Em**        **G**  
We'll meet up after dark  
         **D**                **Em**  
It's a bite of the apple  
         **Em**  
the touch of your lips  
         **D**                **A**  
I'm stuck in the bathroom  
         **Em**  
and sick over it

Verse 6:

**D**                **Em**  
Cause you're made from  
         **G**                **D**  
the stars That we  
         **Em**                **G**  
watched from your car  
         **D**                **Em**  
And I'm just a victim  
         **G**  
of changing planets  
         **D**                **Em**  
My Scorpio rising  
**G**  
and my parents

(Repeat Chorus)

Interlude: D Em G x6
