E6
Soft face

Playing in the autumn streets
Aadd9
With blood laced shoes

E6
I fake

Stomach aches when I m in school
Aadd9
To wait there for you

Yeah, I do

E6 Aadd9
E6 Aadd9
(whistling)

E6
Old flames

Grow and die with every year
Aadd9
But you stay hot

E6
cause you re fucking crazy

You skinny dip your neighbors pool
Aadd9
But you won t get caught

No, you won t

E6

(whistling)

Aadd9

Badd11

I think I m falling baby, oh yeah, I m falling

Skinned knees

Face down in the autumn street

Aadd9

A concrete rash

E6

And you cried

Shed a tear for auburn blood

Aadd9

That you won t get back

No, you won t

E6 Aadd9

E6 Aadd9

(whistling)

E6

I left

Burning streets in Tennessee

Aadd9

For a north east feel

E6

But summer

Always hurts think of you first

Aadd9

And your skin peel
