E -   022100
F# - 244322
C#m - x46654

Intro:
B
   pa pa pa pa pa
pa pa pa
(Repeat twice)

Verse 1:
B
   Tomorrow comes like yesterday
                            E
And you and I wont fade away
We ll last forever
(we ll last forever)
B
   We ve come this far
against the odds
We ve stopped and fought
               E
like cats and dogs
Think we ll be all right
(yeah we ll be all right)

Refrain:
F#   **B**   **E**
You and me (oh hell yeah)
We ve been through
F#   **B**   **E**
everything (oh hell yeah)

```
Chorus:
        C#m       E
We ve come to far
               B     F#
to throw it all away
C#m           E
Nothing or no one
         B                F#
could stand in the way
                E
Never gonna let
you down again

Post Chorus: B-- x2

Verse 2:
B
   We ve felt the
pain along the way
                        E
At every turn in everyday
We ll last forever
(we ll last forever)
B
   We walk with blisters

on our feet
And every step we
                E
kicked and screamed
Think we ll be alright
(yeah we ll be alright)

(Repeat Refrain)
(Repat Chorus)

Interlude: B--E--

Verse 3:
B
   Tomorrow comes like yesterday
                        E
And you and I wont fade away
We ll last forever
(we ll last forever)
B
   We ve felt the
pain along the way
```

```
                       E
At every turn in everyday
Think we ll be alright
(yeah we ll be alright)

(Repeat Chorus)

Outro:
B         E
   and again
 B               E
again and again
 B(hold)
again
pa pa pa pa
pa pa pa
pa pa pa pa
pa pa pa
```
