

Dear Lover
Social Distortion

intro: **Em, C, G, D** x4

Em G C D x4

Em G C D x2

Loving, over and over again now

Em G C D x2

It ain t nothing girl, till you ve felt the pain

Em G C D x2

Up against the wall, why does love always have to hurt

Em G C D x2

Your scratches run across my back and then a tear

Chorus:

Em C G D

Dear Lover, I can t take the pain no more

Em C G D

Dear Lover, I pick my heart up from the floor

Em C G D

Dear Lover, I can t believe its come to this

Em C G D

Dear Lover, give me one last painful kiss

Em G C D x2

Verse :

Em G C D x2

There ain t nothin , in this world for free now

Em G C D x2

So how high of a price will you pay

Em G C D x2

Hear the screams so loud, wake up to the broken glass

Em G C D x2

It s a scene from bad to worse, and many more tears

Chorus:

Em **C** **G** **D**

Dear Lover, I can t take the pain no more

Em **C** **G** **D**

Dear Lover, I pick my heart up from the floor

Em **C** **G** **D**

Dear Lover, I can t believe its come to this

Em **C** **G** **D**

Dear Lover, give me one last painful kiss

solo.....
