

Faithless

Social Distortion

Hello! I just noticed there are no good chords for the song, so decided to quickly make one.

Standard tuning, capo 1st fret.

Intro:

G, Hm, Em, C x2

Verse 1:

G Hm Em D
I know a girl who warns of the dangers of love
C G Am G
All the pain and the anguish, the sorrow that it brings
Hm Em D
She keeps herself in a world that s protected
C G
Her outsides are tough
Am G
But inside her heart longs to sing

Chorus:

G Hm
Don t let your walls down
F C G Hm, Em, C, G, Hm, Em, C
You might fall in love, you might fall in love

Verse 2:

G Hm Em D C
He s gonna get his girlfriend s name tattooed on his neck
G Am
And hope he never, never lives to regret
G Hm Em D
He s gonna walk down that long dark alley
C G Am
And what he finds there you know he ll never forget

Chorus:

G Hm
Don t let your walls down
F C
You might fall in love, you might fall in love
G Hm F

They re crashing down now, you might fall in love

Solo:

G, C, F, Am, G, F, Fm, C

Verse 3:

G Hm Em D

I remember a time I believed

C G Am

That the words love and pain were both one in the same

G Hm Em D C

I m gonna trade in my old ways for a new shot at life

G Am

I m gonna change, change my direction

Am G

I m gonna change my ways

Chorus:

G Hm

Don t let your walls down

F C

You might fall in love, you might fall in love

G Hm

They re crashing down now

F C G, Hm

It s you I m thinking of, it s you I m thinking of

Em C G Hm Em C G, Hm

You might fall in love; it s you I m thinking of

Em C G Hm, Em

We might fall in love

C G

Let s fall in love
