

Highway 101
Social Distortion

Capo 1st Fret

All chords relative to Capo

Intro: **G Em** (x2)

Verse:

G **Em**
Take a drive, baby up the coast, yeah highway 101
G **Em**
I m passing tourists, Santa Barbara too, just as fast as my motor runs
G **Em**
Got a pocket full of memories, some happy, and some are sad
G **Em**
Got a girl standing by my side through the good times, and the bad

Chorus:

G **Am**
Listen to the boulevard, listen to the falling rain
D **C**
I believe in love, now, with all of its joys and pains
G Em
la la la

Verse 2:

G **Em**
Sick boy, sick girl looking nice, dressed up on a Saturday night
G **Em**
Take a walk downtown for a while, and chase the pale moonlight
G **Em**
I can still hear the mission bells, and the train rolling through your town
G **Em**
Gonna leave this world behind, we re Southern California bound

Chorus:

G **Am**
Listen to the boulevard, listen to the falling rain
D **C**
I believe in love, now, with all of its joys and pains
G **Am**
Follow the palm trees, under the California sun
D **C**
I believe in love, now, I believe in love again
G Em

la la la

Break: **G Am D C** (x2)

Chorus:

G **Am**
Listen to the boulevard, listen to the falling rain
D **C**
I believe in love, now, with all of its joys and pains
G **Am**
Follow the palm trees, under the California sun
D **C**
I believe in love, now, I believe in love again
G Em (x2) end on **G**
la la la
