LIVE BEFORE YOU DIE - Social Distortion  
-----

Tabbed by: nsn3  
Email: nuno.tfl (at) GMail

Tuning: **E**  
Capo: 3rd fret

Intro:

**G G G G**

Verse(s):

**G** **Em**  
When pressures up and the stress is high  
**G** **Em**  
and I wanna bid this world good bye  
**C** **D**  
I m gonna bury my frustrations  
**C** **D**  
grab some of life s satisfactions  
**C** **D** **G** **Em** **D**  
yeah I m gonna live before I die

Chorus:

**C** **D**  
So close your eyes, and embrace your memories  
**C** **D**  
leave your troubles and your worries far behind  
**C** **D** **C** **D**  
stop contemplating and start celebrating  
**C** **D** **G** **Em** **D**  
yeah you gotta live before you die
