

**This Time Darlin**  
**Social Distortion**

Verse 1:

**D**          **B**    **G**                  **D**  
As I m looking back on broken Down dreams  
**D**                  **B**                  **A**          **A**  
heartbreaks and Memories that I ve had.  
          **D**                          **D**          **G**  
I made it Through the hard times and came  
          **D**                          **D**  
Back a stronger man but this time  
          **A**                          **D**  
Darling it s just not the same

Verse 2:

**D**          **B**          **G**          **D**  
Down the lonely stairs with a Suitcase in my hand  
**D**                  **B**          **A**    **A**  
misery can be A heavy load.  
          **D**                          **D**  
I ve made it through the hard Times  
          **G**                          **D**  
and in pain I made it back  
          **D**                          **A**          **D**  
But this time darling it s just not the same

Chorus 1:

**G**  
In the morning I was lonely  
          **D**  
but Never bothered to cry  
**G**                          **D**  
never even Stopped to wonder why  
**G**                          **D**  
leaving Was just another part of the Game  
          **D**                          **A**          **D**  
but this time darling it s Just not the same
