Bb Dm Bb Cm

Bb Dm
sister knows

Bb Cm Bb Dm
time to bring the widows down again

Bb Cm
oh what a weekend

Bb Dm
i was feeling a little strange

Bb
a little dim

Dm
i walked out i walked out

Bb Cm
now i m done with everything

Bb Dm
now i m done with everything

(Repeats the same the whole song)

second row
i guess i got it wrong again
no-one here
seems to notice the empty light
the sorry din
i shot through i shot through
now i m done with everything
now i m done with everything

oh let them follow
time to put the hymn book down again
oh this hollow
cause now i m naked and too aware
i stretched out i stretched out
now i m done with everything
now i m done with everything
now i m done with everything
