**Bb Dm Bb Cm**

**Bb Dm**  
sister knows

**Bb Cm Bb Dm**  
time to bring the widows down again

**Bb Cm**  
oh what a weekend

**Bb Dm**  
i was feeling a little strange

**Bb**  
a little dim

**Dm**  
i walked out i walked out

**Bb Cm**  
now i m done with everything

**Bb Dm**  
now i m done with everything

(Repeats the same the whole song)

second row  
i guess i got it wrong again  
no-one here  
seems to notice the empty light  
the sorry din  
i shot through i shot through  
now i m done with everything  
now i m done with everything

oh let them follow  
time to put the hymn book down again  
oh this hollow  
cause now i m naked and too aware  
i stretched out i stretched out  
now i m done with everything  
now i m done with everything  
now i m done with everything
