Intro

G D Cadd9 x 4

Verse

G D Cadd9

Hey Girl, turn up uninvited parading round my dreams

G D Cadd9

So girl, cut you to the bone and you still wouldn't feel a thing

G D Cadd9 G D Cadd9

How then, am I on your doorstep raking up old memories

G D Cadd9

Well now, Seems my life starts and ends with the words you say

G D Cadd9

Leave me, tired and alone on a street bench single bed

G D Cadd9 G D Cadd9

Cold rain, bites at my flesh and I can't help wondering

Bridge

Em7 D Cadd9 Em7 D Cadd9

Come on back to me baby

Chorus

G C

Work my fingers to the bone, Just to get you all alone

G C

Breathe my secrets down the phone, when I'm naked all alone

G C

Every day that passes by, see I want you by my side

G C G D Cadd9 G

D Cadd9

Hypnotised by the words you say, Paranoia ain't my way, Paranoia
ain't my way

G D Cadd9 x 2
