Verse 1

Am

Are you feeling done in? Don t know where to begin?

G Em G Am

Are you feeling like the wind and the rain has battered your brain

Am

I could take you apart.

G Em G Am

Take it right from the start and you ll find I can leave you behind

Bridge

D C G Am

We all need someone to feel the pain (You gotta work hard baby, you gotta work harder baby)

D C G Am

We all need someone who laughs at the rain(You gotta work hard baby, you gotta work harder baby)

Chorus

Am F C G Em

G

Dredge the rivers and the stormy seas and we re still together what s wrong with me

Am F C G Em G

A simple solution that s all they say and I promise I wouldn t play those games

Am F C G Em G

A little question that s bugging me as I lie in my bed and I m feigning sleep

Am F C G Em G

I flirt with the fishes and sing to the bees, what if this love ain t enough for me?

Verse 2

Am

Are liking the dark? Wanna put out the spark?

G Em G Am

Are you liking the darkness you ll find, deep inside your mind?

Am

I could let you take hold

G Em G Am

Take it right from your soul and you ll find I can swallow you whole
