Acordesweb.com

A spanish little place Sofia Ellar

Se toca con afinación standard. El acorde A/G# es un acorde A normal poniendo el bajo en la 6ta cuerda 4to traste (G#)

Espero que disfruteis con esta pequeña obra maestra.

Asus2 / C # m7 / Dsus2 / E

Asus2 C#m7

Strangers never kiss under the moonlight shadow,

Dsus2 A

In a spanish Little place away from hell.

Asus2 C#m7 D

Ever since the time you got me higher than I've ever been,

A (Asus2)

I'm here to stay.

But you can't stop your words from being any louder,

A A/G# D

And I can only say you take me higher.

Bm E

With every single moon we're getting tighter.

Asus2

I dream all our moments now,

C#m7

I'm trying to hold back down,

D

My voice in a drown,

Your feet on the ground,

F

Your echoes and sounds

And your deamons and bounds. (X2)

A C#m7

Oh boy I know you've gone through so much pain,

D

I shoot your stars into my veins,

E A

Е

When all the odd ones are just playing in repeat on my parade.

C#m7

Cause I'm another lonely girl like you,

D

Even when the dark was haunting you, Dsus2 Even when the midnight's falling right under the lyrics of your blues. Daradiradadarada...... A C#m7 D E I dream all our moments now, C#m7 I'm trying to hold back down, My voice in a drown, Your feet on the ground, Your echoes and sounds And your deamons and bounds. (X2) C#m7 Α Oh boy I know you've gone through so much pain, I shoot your stars into my veins, When all the odd ones are just playing in repeat on my parade.

C#m7

Cause I'm another lonely girl like you,

D

Even when the dark was haunting you,

 \mathbf{E}

Even when the midnight's falling right under the lyrics of your blues
