Am F
Up in our land,
C
Where we live on our own,
G
And we crash and we fall.
Am F
There s a mad man
C
And he s facing the wall,
G
No religion at all.
Am F
We don t like him,
C G
Cause he s a stranger in the night,
Am F
And up in our land,
C G
We re just not afraid of flying...

F G
And oh, As our world keeps changing,
E
He ll be hiding somewhere,
Am
Deep between the lies...
F G
And oh, Mamma earth is calling,
E
But nobody listens,
Am
We ll raise up our flag..
F G
And oh, We re done...

Am F
Cause up in our land,
C
Where we live on our own,
G

And we crash and we fall,
Am F
There s a wild man,
C
And he s chasing the dawn,
G
No religion at all,
Am F
And we don t want him,
C G
Cause he s a stranger in the night,
Am F
And up in our land,
C G
We re just not afraid of trying...

F G
And oh, As our world keeps changing,
E
He ll be hiding somewhere,
Am
Deep between the lies...

F G
And oh, Mamma earth is calling,
E
But nobody listens,
Am
We ll raise up our flag..

F G
And oh, We re done.
