

**Sing My Song**  
**Sofia Nizharadze**

This is one of the six songs from the Georgian national Eurovision final 2010. This is the studio version; the text on the version performed in the national final is slightly different.

**Am**                    **C**                    **Dm**  
You make me wanna live again

**G9**                    **E7**                    **Am**  
You, hear my song through all the pain

**C**                                    **F#7**                    **Dm**  
I believe weâ€™ll meet again, somewhere magical

**[Dm]**                                    **B7**  
And I know that it s the reason why Iâ€™m living for

**Dm**    **E7**                                    **Am**                    **C**  
So sing my song, can you feel me breathing?

**Dm**                                    **E7**                    **Am**  
I know Iâ€™m far away from you, but Iâ€™m still reaching  
So sing my song, can you feel me dreaming?  
And itâ€™s a dream I dare to dream, I m singing

You are the one Iâ€™m looking for  
You â€™ Iâ€™m not crying anymore  
I will never lose my hope, I feel my land is strong  
And I know that it s the reason why Iâ€™m living for

So sing my song, can you feel me breathing?  
I know Iâ€™m far away from you but Iâ€™m still reaching  
So sing my song, can you feel me dreaming?  
And itâ€™s a dream I dare to dream, Iâ€™m singing

All my life Iâ€™m searching for a peaceful shining star  
I will come to you no matter where you are

So sing my song, can you feel me breathing?  
I know Iâ€™m far away from you but Iâ€™m still reaching  
So sing my songâ€¦

Itâ€™s a dream I dare to dream; sing my song
