Bm - Gadd9 - Asus4 - Asus4

Bm Bmadd13- G A
Who can ever tell the colour of a soul,
Bm Bmadd13- G D/A A
And the memories we keep from long ago?
Bm Bmadd13- G D/A A
Do we ever really know each other's past?

Bridge:

Dm C Bbmaj
You can't go back to before,
Dm C G
But tomorrow will bring even more.

Chorus:

Em D G
Like the tide's gonna turn you will know, when it's cold,
Em Bm D
You're on your own but you're never alone.
Em Em/D Em/C# Cm7+
Shine, shine like the stars in the sky,
Am7 C6add9 D
Wipe your dust off your love, let it shine.

So when nothing's ever really carved in stone,
Remember that your heart is holding on,
And when every second melts up in the past.

Bridge:

Don't be afraid it will end,
Only fear that it never began.

Chorus:

Em D G
Like the tide's gonna turn you will know, when it's cold,
Em Bm D
You're on your own but you're never alone.
Shine, shine like the stars in the sky,
Am7 C6add9 Bm
Wipe your dust off your love, let it shine.
