

Torch
Soft Cell

[Intro] **C Bb**

D

I m lost again and I m on the run

Am

Looking for love in a sad song

D

With your avenger eyes and your catlike ways

Am

I can hold you you are a fool

D

For me to be cruel I m leaning on this bar

Am

Listening to you sing and your sad song

D

Rings in my ears and I start to cry

C

D

He s searching she s showing

C

See him held in a deep

D

Deep spell he knows she s glowing

C

I can find within

D

My mind a way to go

C

I can look deep into

Your light and shout

D

Hold me, hold me, hold me, hold me, hold me

(**C Bb**)

D

I hear the saxofone and it tears my soul

Am

And we re feeling old feeling so cold

D

She is the torch and she is the theme

Am

She could be a dream but oh boy - is she real

D

Try to avoid her eyes to avoid her words

Am

They will hit you with all that you feel

D

He s searching she s showing

Am

See him held in a deep deep spell he knows

C

D

He s searching she s showing

C

See him held in a deep

D

Deep spell he knows she s glowing

C

I can find within

D

My mind a way to go

C

I can look deep into

Your light and shout

D

Hold me, hold me, hold me, hold me, hold me

(**C Bb**)

C

Bb

See her eyes they are bright tonight

C

Bb

See the stars coming out tonight

C

Bb

See the moon looking down tonight

C

Bb

See how they light your way tonight

C

Bb

See my eyes they are bright tonight

C

Bb

See my hands reaching out tonight

C

Bb

Hear my words they are dynamite

C

Bb

See how they light your way tonight

C

Bb

See her eyes they are bright tonight

C

Bb

See her eyes they are bright tonight

C

Bb

See how they light your way tonight
