

By My Side
Soja

Gm **F** **Bb** **Cm**
I act like I left her, but I really beg her to stay.
And the more that I press her is the more she slips
away.
Act like I don t need her but...Yo, you re
necessary...
Like ten days from now I won t see your face when I
sleep.

Gm **F** **Bb** **Cm**
Act like I can hear, but Jah knows I m deaf.
Act like I can see but now, yo, from me sight has
left.
Act like I don t know but, I know these things...
Act like I don t feel it but I m gonna feel it, every
morning now on

Chorus (one measure or four reggae skanks per chord):

Gm **Bb**
Each morning, on each night
Cm **F**
when I need you by my side
on each morning and on each night
when I need you

Like I don t care but each and every time
your face comes across it never ever leaves my mind.
Oh, like I don t know but...I know your thing
like I don t feel it, but I m gonna feel it every
evening now on -

Each morning, on each night
when I need you by my side
on each morning and on each night
when I need you

N.C. (maybe an A# to Cm if anything)
I act like I left her, but the truth is I beg her, beg
her to stay...

Gm **F** **Bb** **Cm**
And the more that I press her, means all the more that she slips away.
Act like I don t need her, but I m here to tell you
that you re necessary.
Like ten days from now I won t see your face when I m
on -

Each morning, on each night

when I need you by my side
on each morning and on each night
when I need you by my side.

- On each morning and on each night when I need you so
desperately.
