Am  
It wasn't you, it's just the way we  
C  
Roll the dice, if these  
G  
Cards would fall right  
Am C  
It wasn't you, it's just the timing and the place that's wrong  
G  
And something is gone, but

Am Dm  
Don't you forget about the life  
C  
That we talked about you  
G Am  
Cruise and you're forgetting:  
Am  
Tables got a leg to stand on,  
C  
A life to hang on, it's  
G Am  
You that you deceive

Am

It wasn't you

C

Who put yourself in all these

G

Game, these neverending ways, yeah...

Am

I know it's not you-

C

Cuz i can feel the fire

G

Blaze those same

Light rains, yeah

C

It wasn't you

C

Cuz noone sees them selves

G

At all the same as

Am

Anybody else and

C

It wasn't you

G

Cuz every little thing

Am

Has changed, but

C

I know it's never too late

G

We all need some legs to stand on
