What do we really need
In this life
I look at myself sometimes
And it's not right

People out there with no
Food at night
And we say we care, but we don't
So we all lie

What if there's something
That you'll be paying
At the end of the life
Not the end of the day

And we end up in
All the shit that they're in
And roles are reversed
And it were different

And we were the ones
With nothing to eat
And we were the ones
With blood in our streets

We were the ones
With all the offspring
And they were the ones

Just watching on TV

We were the ones
Broke down and torn
With our life on our back
And our wife in our arms

And they were the ones
Like oh that's so sad
We were the ones
Like OH...

Nothing ever changes
The only thing I know
Nothing ever changes
Looking down this road
Nothing ever changes
Nothing ever changes

Nothing ever changes
At least that's how we act
Like nothing ever changes
Like god has got our backs
And nothing ever changes
I'm looking down this road
And all I see is pain, yes

Maybe we need more
Shoes on our feet
Maybe we need more
Cash and jewelry

Maybe we need more
Cars and TV's
Maybe we don't know
What we need

Maybe we need
To want to fix this
Maybe stop talking
Maybe start listening

Maybe we need
To look at this world
Less like a square
And more like a circle

Maybe just maybe
God's not unfair
Maybe we're all his kids
And he's up there

Maybe he loves us

For all our races
Maybe he hates us
When we're all so racist

Maybe he sees us
Down here so selfish
Takes this whole planet
And just tries to melt it

Maybe the meat
Will inherit the earth
Cuz it was written before

So everything changes
Nothing stays the same
And everything changes
And if you feel ashamed
Maybe you should change this
Before it gets too late
Maybe you should change this
We're standing at the gate
Maybe you should change this
Because everything changes
You should change this
Because everything changes
Everything changes
Everything changes
