

I Believe

Soja

F

I believe, I believe, I believe, I believe

F

No matter what you do

Dm

I believe, I believe, I believe, I believe

C

It will all come back to you

(**F** **C** **Dm** **C**)

F

Stand up and find your own way

F

Or sit down and wait for your turn

Dm

Follow your vision blindly

C

Or just become the vision of someone

F

Remove the shackles right now

F

You never really fit into em at all

Dm

Or keep running with that metal

C

On your feet until you fall

Bb

Everything that you say

C

Becomes the things that you do

Dm

Remember what you put out there

Gm

Is building you

Bb

C

Remember everything is everything

F

I believe, I believe, I believe, I believe

F

No matter what you do

Dm

I believe, I believe, I believe, I believe

C

It will all come back to you

F

I kinda been struggling

F

The fire on my tongue s
Been challenging

Dm

But even the wise ones
Be stumbling

C

So pick your heart
Up here and walk tall

F

Bright-eyed deliverance

F

Everything you say s significant

Dm

So speak your truth be spirited

C

You re beautiful and bold so carry on

Bb

Everything that you say

C

Becomes the things that you do

Dm

Remember what you put out there

Gm

Is building you

Bb

C

Remember everything is everything

F

Everything is everything
Every single day

F

Remember this in everything you do
And everything you say

Dm

Everything you eat
And all the people that you meet

C

There is life
There is light
That s reflected
Back on me

F

I believe, I believe, I believe, I believe

F

No matter what you do

Dm

I believe, I believe, I believe, I believe

C

It will all come back to you

F

Turn your speakers down

F

And listen to the silence down below

Dm

That s the messenger

C

And that s the only one

F

Who really knows

F

Turn my music down

Dm

It s your turn now

C

Well it s your turn now

Bb

Remember all that you say

C

It becomes all that you do

Dm

Everything that you put out there

Gm

Is building you up

Bb

Or it s breaking you down to the ground

C

Well it s your choice now

Dm

Yeah it s your voice now

Gm

It s that same sound

Bb

Everything that you say

C

It becomes all that you do

Dm

Everything that you put out there

Gm

Is building you

Bb

C

F

Remember everything is everything
