      F#m  D  A  E
I don t wanna wait
```

F#m  
They say way back when knew how , but  
D  
there s nothing telling you now just to  
A  
do your right and not your wrong, when  
C#7  
wrong is easy, and right is hard, and

F#m  
We ve all got our weaknesses  
D  
and only you know what yours is, but  
A

your tomorrows are all that seems to  
C#7  
escape from your lips...

F#m D  
But I don t wanna wait... today  
A E F#m D  
for something that might never ever show its face... I can t  
A E F#m D  
I promise that I ve heard to much already yeah... to me  
A E F#m D  
it seems ridiculous to trust in all of your games... you play  
A E  
theres one night, one world, one chance and...

F#m D A E  
I don t wanna wait  
F#m D A E  
I don t wanna wait  
F#m D A E  
I don t wanna wait  
F#m D A E  
I don t wanna wait

F#m  
Moving forward to right now  
D  
a government that let you down  
A  
a racist leader no one trusted and  
C#7  
an army that s bigger than us and

F#m  
a poverty on a global scale  
D  
A fragile world with fragile air and  
A  
fragile water I m sure they ll put  
C#7  
off till tomorrow

F#m D  
But I don t wanna wait... today  
A E F#m D  
for something that might never ever show its face... I can t  
A E F#m D  
I promise that I ve heard to much already yeah... to me  
A E F#m D  
it seems ridiculous to trust in all of your games... you play  
A E  
theres one night, one world, one chance and

F#m D A E  
I don t wanna wait  
F#m D A E  
I don t wanna wait  
F#m D A E  
I don t wanna wait for you and your games (no I don t no oh no)  
F#m D A E  
I just can t wait...wait...I just can t

F#m  
I m skipping forward to the ending, to that  
D  
point or two impeding to that  
A  
moment that all that stops that  
E  
one day when that bottom drops

F#m  
And we remember our voices  
D  
had a chance yea we had our choice but  
A  
time is a luxury we as a people we  
E  
might no longer afford

F#m D  
But I don t wanna wait... today  
A E F#m D  
for something that might never ever show its face... I can t  
A E F#m D  
I promise that I ve heard to much already yeah... to me  
A E F#m D  
it seems ridiculous to trust in all of your games... you play  
A E  
theres one night, one world, one chance and

F#m D A E  
I don t wanna wait... there s not enough of time so  
F#m D A E  
I don t wanna wait... you know Ive got a lot on my mind so  
F#m D A E  
I don t wanna wait... have to reach the end of the line so  
F#m D A E  
I don t wanna wait... no im not fine  
F#m D A E  
Don t wanna wait, don t wanna wait, don t wanna wait, don t wanna... it s not  
for me, not for me, it s not for me no  
F#m D A E  
I can t wait, don t wanna wait, don t wanna wait, don t wanna... it s not for  
me, not for me now  
F#m D A E

Don t wanna wait, don t wanna wait, don t wanna... don t wanna wait, don t wanna  
it s not for me and I know

F#m D A E

I can't wait... and I don t wanna wait
