D Bm G A
We could spend more time together, I m talking to you
D Bm
And you could get out of that mirror
G A
And we could talk this through

G A Bm G A Bm
Cause my eyes open, open wide, and all I see is truth
G A Bm A
That in this life I ll always find you
D Bm G A D Bm G A
I ll find you , I ll find You

D Bm G A
The days are passing faster than I ever hoped they would
D Bm G A
I watch as we grow apart and we separate too
G A Bm G A Bm
But my hearts open, open wide, and all I need is you
G A Bm A D A Bm G A
I feel it in the rain and in the roots, it s in the root
D Bm G A D Bm G A

The seasons changing one by one and we are changing too
D Bm A G A
We are circling the stars and we are God s own proof
G A Bm A D A Bm
My minds open, open wide, and as I read the news
G A Bm A D
We become the cancer that we re trying to remove, to remove

D Bm A G A
70 Years in this life and what we got to show
D Bm A G A
We built a family of millions with millions more to go
G A Bm G A Bm
My eyes open, open wide, I wake myself for you
G A Bm A
To thank you for the memories that grew
D Bm G A
It s all because of you
D Bm G A
I found you

D Bm
If I could spend the rest of my life with my people
G A
I would do it over and over again
D Bm G A
I found you

D A Bm
Just like the land that bares the name africa
G Bm A
True love is on my mind
D Bm G A
I found you

D A Bm G
I don t wanna wait today for something
A D A Bm
That might never ever show it s face again

I open my eyes each morning I rise

To find the truth
