

**Non-Partial Non-Political  
Soja**

repeat: **F#m|E.**

[Chorus:]

This is Jah Love, InI been waiting  
And now InI found, Non-partial non-political

I love to laugh at all these partial minds  
When they try to explain how I m wrong  
And they re right  
Everyone act as if they know everything  
They act as if they ve seen what no man has seen  
Each Religion claim to have true faith  
Not one of you can say that you know my destiny  
Some things are just best left up to HIM.

[Chorus]

InI have seen the truth, we are all created  
Equal no difference from me to you  
No difference from me to you  
Every man is born naked, supremacist agree  
But see they fake it. You spill all of this  
Blood only to fight, you fight to prove  
You living to fight, proclaim superiority and waste  
My time, you may fool the majority but no the Most  
High

[Chorus]

Jah is one perfect love, until the philosophy  
Which holds one race superior and another  
Inferior is finally and permanently discredited and  
Abandoned there will war everyday  
Jah is why we are all blessed, this Iniverse was  
Created for man to live in peace concord  
And happiness and the word of Haile Selassie  
Is a blessing yes.

Jah is the unsearchable entity, no discussion  
Underway over his divinity, Oh lord, there is much  
More to see but nothing to prove, no need to worry  
Rastaman got lots to do with Jah Love!  
Haile I selassie I
