I need some peace in a time of war

Some peace in a time of political war

They say that we elect our leaders

To lead forward and make decision

But I never heard their policy on war

Discussed during an election

And it seem that war is something over which

People have no prevention

But the people want it anyway and

So they elect some destruction

I need some peace in a time of war

Some peace in a time of political war

Haile I selassie I, Jah, hey

Rastafari, hey

Only truth round here over creation

Haile I selassie I

Haile I selassie I, Jah, oh, yeah

Rastafari, hey

Only truth round here over creation

Land of the free, and

Foreign bullets never touch our pavement

It seem to me, people know not

The extent of their involvement

Things are not as they seem  
Underneath the beast is not clean  
But we support the leaders who use  
Media to make them seem so clean
