Refrão:

I know it`s hard now for you to see
You can`t change how it was or how
It s gonna be.
I m what she wants You re
just what she needs?
And if she still loves me
She still loves me.
Where is her sweater?
Is not in her car
Is not at her friend`s house
Is not at the bar
I think you better,
Think with the heart
Take a look at yourself and see

E

how lucky you really are.

F#m

E

I don't believe in luck after all

Bm

Neither does she

E

But you know that now

F#m

You should forget her

What did she do today

E

That took her so long?

Bm

Where is she been to,

E

Where is she gone?

F#m

What does she think about,

E

When she sees the dawn?

Bm

When you feel her thinking

E

And rolling around

F#m

What does she talk about

E

When her father calls?

Bm

She says what you said, she tells her old man

E

you re the one

F#m

E

What does she talk about when her mother calls?

Bm

You don` t come up,

E

You don t come up at all.
