Dm F
The situation isn t what it was
C Bb
And it s never gonna be it again, cause we got
Dm F
Nothing prepared for what is coming up
C Bb
When the Dollar is the focus of men, and you know
Dm F
All the solutions we don t talk about
C Bb
Cause we d rather talk about ourselves, right now
Dm F
And if we are what s killing us
C Bb
We take the form of the storm up ahead
Now follow me

Dm F
Well i ve seen that water rising
C Bb
And it s rising all around
Dm F
And I ve seen those roots, they re ripping
C Gm
And they rip out from the ground
Dm F
And I ve seen this world is changing
C Gm
And it s right in front of our face
Dm F
There s something happening here
C Bb
In this little human race

Dm F

It s coming, coming, coming on down, down
C Bb
The water literally rise now
Dm F
It s coming and it s coming on down, down
C Gm
And the index rise every time around
Dm F
It s coming, and coming on down, down
C Gm
And we can tear every little thing down
C
And we will, just look around
Bb
And you can watch us tear it down

Intro 2x: Dm F C Dm

Dm F
The situation s coming down to this
C Gm
What matters to us all in the end?
And you know
Dm F
Total destruction is on the horizon
C Gm
If you are standing on the out looking in
Dm F
Then our congress and president never ever mention it
C Gm
Can t even figure out same sex marriages
Dm F
And while we kill each other every day
C Gm
And while we kill our earth in every way, it s coming down

Dm F
And we ve got this love inside us
C Gm
And we ve got this hatred too
Dm F
And we ve got this battle raging
C Gm
And we let the soldiers lose
Dm F
And we sit and watch and wonder
C Gm
Possible outcomes
Dm F
Will what we need deep inside
C Gm
Become what we want before it s

Dm F
It s coming, coming, coming on down, down
C Gm
The water literally rise now
Dm F
It s coming and it s coming on down, down
C Gm
And the index rise every time around
Dm F
It s coming, and coming on down, down
C Gm
And we can tear every little thing down
C
And we will, just look around
Bb
And you can watch us tear it down

Riff da Intro junto ao ultimo verso.

Dm F
Down, down, down, now
C Gm
Tear it right down to the ground
Dm F
We gonna tear it down, down, down now
C Gm
Tear it right down to the ground
