Em Bm7 Am7  
 I never ever saw us clearly  
  
 And clearly we re both to blame  
  
 But silence and progress  
  
 Were my thing  
  
 And your thing was calling  
  
 My name  
  
 Now you can see your whole life without me  
  
 Quietly in mine felt you  
  
 The distances of continents  
  
 Phone calls upsetting now  
  
 Something s that i guess i, i can t do

Em Bm7 Am7  
 My name remains prisoner

Trapped and my world is gone

And i m the only one who still lives here

And i ve got all the light storms

So you can stop and visit me in my cell

And we can talk if we've got the time

And you can start to go on your way

Cause I believe I found, I found mine

C Em  
I'll be stopping, I'll be starting

C Em G  
I'll be wondering why we don't

C  
Know what we do

C Em  
I'm a be the same, even if I'm

Walking by my self

C Em G  
I'm just wondering why we don't know

C Em  
I'll be stopping, I'll be starting

C Em G  
I'll be wondering why we don't

C  
Know what we do

C Em  
I'm a be the same, even if I'm

Walking all alone

C Em G  
I'm just wondering why
