

Used To Matter

Used to matter - Soldiers of the jah army

Cordoba, Argentina

Em **D**
See, these days it s different,
G
It s all new. The old is gone
Am
and I am too.

Em **D**
Wishing I was closer to
G **C** **C/B**
back when it used to matter

Em
All my coins are gone,
D
it s plastic now
G **Am**
My Ipod s got me asking how
Em **D**
could all my albums take me down
G **C** **C/B**
To back when it used to matter?

Chorus:

G **D**
Now it seems that we
Em
are all wrapped up so tight,
C **G**
light just can t get in
D **Em**
And I feel that we can t see

G **D**
Now it seems that we
Em
are all wrapped up so tight,
C **G**
light just can t get in
D **Em**
And I feel, it s not maybe

See, my watch is worthless,

So is my pen
And it seems nothing is
greater than
something that takes me
Way back when, to
back when it used to Matter
All the words I write
are on a screen,
And the friends I have
have added me
And there's no record
of anything,
and now we all cease
to matter

So you die when you turn 22
but they gonna wait to bury you
Cuz you got a 9 to 5 to do
And that's supposed to matter
So you replace your time
in between
with other people's
hopes and dreams
And they live their lives on
your TV

And now you don't even matter
I just want us to be who we were
supposed to be and who we are
doesn't it seem like we're kinda
far from the original plan
from the start back
when it used to matter
