(Em C G D)

Well, I had one by my side,
but she only tried to get near me.
And never ever knowing about my inside..
But one that I hold is worth so
much more to me if it s both body and mind.

You think I m alone when everyone s around,
You think I m home but I m really out.
You think I m out but I m really at home and it seems
that you don t know me no more.

Girl you don t know me no more, this love is real to me.

To make you happy and secure that s what s important to me.

And any tie you re not around, i want you here with me,

Cuz girl, you really appeal to me...

But I see a serious lack of communication,

Ask you for a meal, say you want to bring me chicken

-

Like you don t know that I m a vegetarian.

Is this a love or an infatuation cuz

You think I m alone but everyone s around

You think I m home when I m really out

You think I m out but I m really at home and it seems that you don t know me no more.

All that I ve learned is all I m taking now with me,

Never will I wait for too long again.

You can take all old roses with you cuz

I ve got new gardens I must grow.

Think I m alone everyone is around

And girl you can t hold me no more, cuz I got places to go

and anywhere that I go I got people I know.

I wanna see you everyday knocking at my door, but first, I really wanna let you know that...

This is a troubled world that we live on,

And the almighty creator put me on a mission,

So you can walk with me on this path trough creation,

And we can help each other reveal our visions.

You think I m alone but everyone s around

You think I m home when I m really out

You think I m out but I m really at home and it seems
that you don t know me no more.

Think I m alone, everyone is around
