

**Absent From Flesh  
Sojourn**

I'm 99.9% certain that these chords are correct. Quite frankly, I can't figure out the actual tab, so I just play these chords. I couldn't find this song on this site, so I figured I'd post it myself. It's my first one, so let's hope it's right!

Capo 2

**Bb Bbsus2 C# Eb**  
Absent from flesh, O blissful thought

**G# Eb Bb**  
What joy that moment brings

**Bb Bbsus2 C# Eb**  
Freed from the blame my sin has brought,

**G# Eb Bb-Bbsus2**  
From pain and death and its sting.

**Bb Bbsus2 C# Eb**  
Absent from flesh, O glorious day!

**G# Eb Bb**  
In one triumphant stroke

**Bb Bbsus2 C# Eb**  
My reckoning paid, my charges dropped,

**G# Eb Bb-Bbsus2**  
And the bonds round my hands are broke.

**G# Eb Bb**  
I go where God and glory shine,

**G# Eb Bb**  
To one eternal day

**G# Eb Bb**  
And this failing body I now resign,

**G# Eb Bb**  
For the Angels point my way

**G# Eb Bb**  
For the Angels point my way

**Bb Bbsus2 C# Eb**  
Absent from flesh! Then rise, my soul,

**G# Eb Bb**  
Where feet nor wings could climb,

**Bb Bbsus2 C# Eb**  
Beyond the sky, where planets roll,

**G# Eb Bb**  
And beyond all keep of time.

**G# Eb Bb**

I go where God and glory shine,

**G#       Eb       Bb**

To one eternal day

**G#       Eb       Bb**

And this failing body I now resign,

**G#       Eb       Bb**

For the Angels point my way

**G#       Eb       Bb**

For the Angels point my way
