

**Absent From Flesh
Sojourn**

I'm 99.9% certain that these chords are correct. Quite frankly, I can't figure out the actual tab, so I just play these chords. I couldn't find this song on this site, so I figured I'd post it myself. It's my first one, so let's hope it's right!

Capo 2

G Gsus2 Bb C
Absent from flesh, O blissful thought

F C G
What joy that moment brings

G Gsus2 Bb C
Freed from the blame my sin has brought,

F C G-Gsus2
From pain and death and its sting.

G Gsus2 Bb C
Absent from flesh, O glorious day!

F C G
In one triumphant stroke

G Gsus2 Bb C
My reckoning paid, my charges dropped,

F C G-Gsus2
And the bonds round my hands are broke.

F C G
I go where God and glory shine,

F C G
To one eternal day

F C G
And this failing body I now resign,

F C G
For the Angels point my way

F C G
For the Angels point my way

G Gsus2 Bb C
Absent from flesh! Then rise, my soul,

F C G
Where feet nor wings could climb,

G Gsus2 Bb C
Beyond the sky, where planets roll,

F C G
And beyond all keep of time.

F C G

I go where God and glory shine,

F C G

To one eternal day

F C G

And this failing body I now resign,

F C G

For the Angels point my way

F C G

For the Angels point my way
