

**Absent From Flesh
Sojourn**

I'm 99.9% certain that these chords are correct. Quite frankly, I can't figure out the actual tab, so I just play these chords. I couldn't find this song on this site, so I figured I'd post it myself. It's my first one, so let's hope it's right!

Capo 2

G# G#sus2 B C#
Absent from flesh, O blissful thought

F# C# G#
What joy that moment brings

G# G#sus2 B C#
Freed from the blame my sin has brought,
F# C# G#-G#sus2

From pain and death and its sting.

G# G#sus2 B C#
Absent from flesh, O glorious day!

F# C# G#
In one triumphant stroke

G# G#sus2 B C#
My reckoning paid, my charges dropped,
F# C# G#-G#sus2

And the bonds round my hands are broke.

F# C# G#
I go where God and glory shine,

F# C# G#
To one eternal day

F# C# G#
And this failing body I now resign,

F# C# G#
For the Angels point my way

F# C# G#
For the Angels point my way

G# G#sus2 B C#
Absent from flesh! Then rise, my soul,

F# C# G#
Where feet nor wings could climb,

G# G#sus2 B C#
Beyond the sky, where planets roll,

F# C# G#
And beyond all keep of time.

F# C# G#

I go where God and glory shine,

F# C# G#

To one eternal day

F# C# G#

And this failing body I now resign,

F# C# G#

For the Angels point my way

F# C# G#

For the Angels point my way
