SoKo

I do not know the picking pattern for it but you can strum if u want to thats how i do it!

The chords are:

G# C7 C# Eb

Today it was your birthday
And I didnâ€™t know what to do
Are you supposed to call the people you love
When you know they donâ€™t love you

G# C7 C# Eb

Today was your birthday
But I didnâ€™t dare to call
Though I thought about you all day
Even at midnight I wanted to call
To be honored to be the first one to send you my love
And wish you

G# C7 C# Eb

Happy hippy birthday
Happy hippy birthday
Happy hippy birthday
Happy hippy birthday

G# C7 C# Eb

35 candles on a cake
That I will never taste
35 candles run away
That I picture in my head
35 years old and Iâ€™m 22
And I remember when you used to say
That I was young but you didnâ€™t care at all

Happy hippy birthday
Happy hippy birthday
Happy hippy birthday
Happy hippy birthday

G# C7 C# Eb

16 of June 1973
My parents hadnâ€™t even met
16 of June 1973
Was born the only boy I can ever love

C# Eb G# C#

Weâ€™re 13 years apart

Like my parents were

C# Eb G#

They're 13 years apart and for them it's worked out

C# Eb G# C7

They had me and my brother

They had me and my brother as achievements of their love

C# Eb G#

They had me and my brother

They had me and my brother

(just stay with G from previous verse)

G# C7 C# Eb until end

My father loved my mother so

That he would never let her down

My mother loved my father so

That she would never let him down

She loved him until the day he died

Until the day he died

Until the day he died

She will love him until the day she dies

Until the day she dies

Until the day she dies

You could love me till the day you die

Until the day you die

Until the day you die

Cause I will love you till the day I die

Until the day I die

Until the day I die

And even more.
