I VE BEEN ALONE TOO LONG - ACOUSTIC
SOKO

CAPO - 7th FRET

G#m

Thought I saw your face

B

At the end of the alley
It was dark but somewhat pretty
Just like everything I see

E

Except you were there glowing
Your body was floating

G#m

Off the ground

B

Thought I d come running
Try to catch you while I can

Eb

But I never seen such beauty
And I stood there paralyzed

E

I swear I saw an angel
But I was too weak to come closer
Blinded by its glow and
Before I knew

G#m

It faded out

E

B

And I m still looking for my father

E

So I cannot have a lover now

B

I m still looking for my father

E

So I cannot have a lover now

F# B

I m still looking for my father

E

So I cannot have a lover now

B E

I m still looking for my father

B E

So I cannot have a lover now

INSTRUMENTAL: **G#m B Ebm E G#m**

B Ebm

So come to me angel

B

and I swear I ll make a move

Eb

It s way too dark out here

Ebm Eb

And I need your glow to glow

B Ebm

I need your glow to glow

E

So get out of here darkness

And I ll make room for the light time

Make room for the light

B

Cause I ve been alone too long

I ve been alone too long

G#m E

Too long

F# B

I ve been along too long

I ve been alone too long

E

Too long

F# B

I ve been along too long

I ve been alone too long

E

Too long, too long, too long

I ve been along too long

G#m

Too long

INSTRUMENTAL: **G#M B Eb E G#m**

B E
So come to me angel

B
I heard it s bright out there

Ebm
Just don t know how to get there

B E G#m
But I m only here to learn

B E G#m
I m only here to learn

B F# B F# E B
So be my precious guy.
