[Intro] **A E A E**  
**A B A E**

**E A E**  
Give me all your love now  
**A E**  
Cause for all we know  
**A B A E**  
We might be dead by tomorrow  
**E A E**  
I can't go on wasting my time  
**A E**

Adding scars to my heart  
**A B A E**  
Cause all I hear is I'm not ready enough

( **A E A E** )  
( **A B A E** )

**A E A E**  
And I can tell that you didn't have  
**A B A E**  
To face your mother losing her lover  
**A E**  
Without saying goodbye  
**A E**  
Without saying goodbye  
**B E**  
Cause she didn't have time

( **A E A E** )  
( **A B A E** )

**E A E A E**  
I don't want to judge what's in your heart  
**A B A E**  
But if you're not ready for love  
**A E**  
How can you be ready for life?  
**A E**  
How can you be ready for life?

( **A E A** )  
( **E A E** )

So let's love fully and let's love loud
