No Forgotten Man Solas

No Forgotten Man Solas

[CAPO ON 3RD FRET]

G

From the woods of California to the banks of Ohio

C

I ve always worked each day God sent as best I m able

G

While both me and the crops they failed, those damn wolves came to my door

C G

I just couldn t put no food upon the table

D

Time to step up, boy, and be a man.

G

So they stuck you neath a helmet and put a shovel in your hand

C G

Sayin it s time to step up, boy, your family needs ya

G

And though we struggled hard to save, they say our money turned no good

C G

And that there s not gonna be enough to feed ya

D (

And they say it never happened cause they can.

7

So they rob us of our livin , kick us down with shiny shoes

C

God knows we ve paid for our dreamin

C G Em

And now they re trying to tell us that they ll own us till the end

Someone better pray that luck means justice

```
G//// G//// G////
 Cause I ll be no forgotten man.
So they stuck me neath a helmet, put a gun into my hand
Saying time to step up, boy, your country needs ya .
They rounded us like slaughter, they shipped us all to hell
Sayin what doesn t kill you boy is gonna free ya .
                                C //// C//// C////
Pretend it didn t happen if you can.
                                   G
But I did my share of killin and I took my share of war
 C
                        G
God knows I bled for my leader
And now you re trying to tell me my enemy s my friend
They ll only pray as long as there is freedom
But I ll be no forgotten man.
[INSTRUMENTAL BREAK]
These days I wheel the city, where the streets don t know my name
They 11 say time to move on boy cause no one needs you.
        G
In the shot glass there s no mercy, in your bottle only blame
Though you shout the deeds you done no one believes ya
                                 C//// C////
```

Come, man, spare a nickel if you can

C G
Cause all I ve got s a story, no kin to call my own
C G
No photographs to pin upon a feelin
C G Em
But what you re trying to tell me makes the truth too hard to bene
D C
And maybe there s just too much made of freedom
G
Then I ll be no forgotten man.
D C
Cause one man s chains become another s freedom
G
So I ll be no forgotten man.
D C
Cause one man s chains becomes another s freedom
Sand Circ mail of charito occasion and char of the caom
${f G} = {f G}//// {f G}//// {f G}////$
So you ll be no forgotten man.
