

**Maroon Beret  
Soldier's Friend**

Maroon Beret - Soldiers Friend

[Intro]

| C |

[Verse 1]

                  C  
Fighting soldiers, from the sky  
                  G                  C  
Fearless men, who jump and die  
                  F                  C  
Men who mean, just what they say  
                  G                  C  
Those brave men of the R.S.A

[Chorus]

                  C  
Silver wings, upon their chests  
                  G                  C  
These are men, South Africa s best  
                  F                  C  
One hundred men, will test today  
                  G                  C  
But only three win Maroon Berets

[Verse 2]

                  C  
Trained to live off nature s land  
G                  C  
Trained in combat, hand to hand  
                  F                  C  
Men who fight by night and day  
                  G                  C  
Courage take, from the R.S.A

(key change up full step)

[Chorus]

                  D  
Silver wings, upon their chests  
                  A                  D  
These are men, South Africa s best  
                  G                  D  
One hundred men, will test today  
                  A                  D  
But only three win Maroon Berets

[Chorus]

**D**

They have silver wings upon their chests

**A**

**D**

These are men, South Africa s best

**G**

**D**

Men who fight by night and day

**A**

**D**

Courage take, from the R.S.A

(key change up half step)

[Verse 3]

**D#**

Here at home a nation waits

**A#**

**D#**

Our land, has met its fate

**G#**

**D#**

She has died, for those obsessed

**A#**

**D#**

Leaving her, this last request

[Outro]

**D#**

Silver wings, on our sons chests

**A#**

**D#**

Make them all, South Africa s best

**G#**

**D#**

They ll be men, who ll fight one day

**A#**

**D#**

Bring her back, to the glorious way
