

Under My Skin
solitude

[Intro]

Ama j7 E Ama j7 E

[Verse 1]

Ama j7 E

I don't wanna talk to you no more

Ama j7 E

I don't wanna fall for your tricks

G#m7

The day has come

Ama j7

I think I see the light

G#m7

But the night is young

[Verse 2]

Ama j7

So let's not end this with a fight

Ama j7 E

Cause I'd swim across the ocean for you

Ama j7 E

And I, I just wish that you knew

G#m7 Ama j7

My heart is pure for you

G#m7

And these days are warm

Ama j7

But you are gone

[Verse 3]

Ama j7 E

And I can't seem to find

Solace in these songs

Ama j7 E

But I, I find comfort in your arms

G#m7

So one more time

Ama j7

Let's just give it a go

G#m7

I know you won't listen

Ama j7

But I feel you between my bones

You 're under my skin

[Interlude]

I think I see the light

But the night is young
