

You Cant Love Em All
Solomon Burke

Bb

There s a street in my city,

where the girls are so pretty,

and they smile hello as they go breezing by. **F**

As they glide by me swaying,

my poor heart is singing.

I would fall but I can t love em all. **Bb**

F
No you can t love em all.

Bb
No you can t love em all.

F **Bb**
No I can t, cos I m only one guy.

F
No you can t love em all,

Bb
No you can t love em all.

F **Bb**
Oh no I can t, but I m sure gonna try.

Bb

There s a place on that street,

where those golden beauties meet.

And it s plain to see they ve got me in their eyes. **F**

How they flirt, how they tease

Bb
and I d sure like to please.

F **Bb**
Tall and small, but I can t love em all.

F
How they flirt, how they tease

Bb
and I d sure like to please.

F **Bb**
Tall and small, but I know that I can t love em all.

F

No you can t love em all,

Bb

No you can t love em all.

F

Bb

Oh, no I can t, because I m only one guy.
